

Winning the Lady (Book Four of the Red River Valley Brides Series) (Volume 4)

Trish was married to Chester. She wasn't happy, but she was content, until Chester lost her in a poker game. Trish was devastated. How could he do such a thing?

Gil Davis offered Trish a proposition. If she'd stay with him for the next three years, and come to the gambling tables with him, he'd pay her a small salary, and take care of her until she was able to get a divorce. Could she trust Gil? Did he offer her heaven or hell? And how could she keep her heart safe for three long years.
