

Enticing: The Buckhorn Brothers: Casey//Caught in the Act

The Buckhorn Brothers: Casey As a teen, Emma Clark was the girl with the bad reputation and trying to get Casey Hudson into bed hadn't helped! Not only was he the cutest guy in town, but he was also the only one who really seemed to care about her so much so that the usually hot-blooded teen had resisted all her awkward advances. Now, eight years later, it's a different story.

Caught in the Act When a robbery goes bad, undercover cop Mick Dawson can't believe Delilah Piper (aka mystery writer Lela DeBraye) was just in the wrong place at the wrong time and neither do the perps. The only way to protect her while he investigates what really happened is to stick with her 24/7 and try not to fall for the object of his investigation!
