

Her Dearly Unintended (With This Ring? Collection): An Ozark Mountain Romance Novella

1870s Missouri Heavy rain means trouble for Katie Ellen. With her parents away, she's left to take care of the mountaintop farm alone until Josiah Huckabee happens to check on her. She used to think him charming--used to--but before she can run Josiah off, a stranger appears. The bridge has washed out, stranding a weathered and threatening man with them. Immediately sensing danger, Josiah steps in and claims the place--and Katie Ellen--as his own. His farm, his wife, and this Silas Ruger character better be respectful. Furious, Katie Ellen is forced to play along. Readers of Regina's Ozark Mountain Romance series will love seeing favorite characters all grown up.
