

Her Desert Dream: AND And the Bride Wore Red (Mills & Boon Romance)

Lydia Young has landed her dream assignment! Used to stacking shelves, she's now jetting off to a desert kingdom for a holiday as a media darling's look-alike. All Lydia has to do is enjoy a week of pampered bliss in a luxury oasis--and not blow her cover by falling for her host, dangerously out-of-her-league Sheikh Kalil al-Zaki. Hmm, this might just be trickier than she first thought! Lydia wanted the spotlight.....Annie wanted anonymity.
