

Her Innocence, His Conquest

Architecture kingpin and expert playboy Zach Marcum knew exactly how to get what he wanted both on the job and in the bedroom. Until sexy, independent and impossible-to-ignore Ana Clark charged into his life. Her construction company could make his luxury resort project a multimillion-dollar reality, but he couldn't risk letting the career-driven siren slip past his defenses. Discovering she was a virgin made the seduction stakes even greater, as Zach crossed the line from business to pleasure.
