

Her Montana Cowboy (Mills & Boon Love Inspired) (Big Sky Centennial, Book 2)

The Man of Her Dreams Julie Shaw is up to her ears in parade preparations and cowboys! As the mayor's daughter, she needs to make sure the centennial celebrations for her beloved hometown of Jasper Gulch, Montana, go off without a hitch. Surely that's why she's feeling so flustered. It couldn't have anything to do with the handsome Ryan Travers. Of course she'd noticed the visiting rodeo star with the sparkle in his eye. But Julie is way too sensible to fall for his obvious appeal. As the town gossips about a century-old mystery, Julie's thoughts keep drifting to the charming cowboy. Despite her father's objections, she may soon find herself roped in by love. **Big Sky Centennial: A small town rich in history and love.**
