

Her Own Rules/Dangerous to Know

One of the worlds most beloved and successful novelists, the incomparable Barbara Taylor Bradford has the golden touchcreating powerful stories of love and deception, crisis and triumph, that resonate with real emotion ... and remarkable characters that live in the heart and memory for months after the final page has been turned. Now two of her strongest New York Times bestselling masterworks have been combined in one volumeto be savored anew or for the very first time by fans young and old.Successful businesswoman Meredith Stratton has always played by Her Own Rules and won. But when shes struck by a mysterious illness, she fears the roots of her ailment are buried somewhere in her forgotten past. And, with the help of a caring psychiatrist, she must uncover themwhile peeling back the layers of her most carefully designed creation: herself.Who would want to kill Sebastian Locke, charismatic millionaire and universally admired philanthropist? Journalist Vivienne Trent is determined to find out, following a twisted trail of secrets to the startling truth about the deathand the lifeof her enigmatic ex-husband, a man who was easy to love but ...
