

## Hidden Falls: The Investigation - Part 3 (Hidden Falls: A 5-Part Series)

The mystery continues in The Investigation - Part 3 Investigation seems such an odd word to use in Hidden Falls. Quinn is still missing. Sylvia faces her ransacked shop. And now Danis sabotaged boat has gone over the falls. Are these events related or just bad timing? Everyone wants answers. In all of this, as mayor, business owner, and daughter of Emma, Sylvia has never felt so inadequate, so empty of answers...so lost without Quinn. Shes never liked Jack Parker much, but maybe he can use his connections to find Quinn. What could it hurt? Laurens past resurges to haunt her. Nicole suffers a setback that might force her off the hunt for Quinn. Ethans future is on the line. And Liams suspicions about the missing money are full of disturbing possibilities. If Quinn would just return, Hidden Falls could get back to normal. If only it were that easy... . As friends and loved ones try to track Quinn down, they realize thirty years of small-town secrets build to a mystery that no one can solve alone. Will they find him alive to thank him?
