

The Muse

Decadence, freedom and illegal activities Everything a sheltered debutante in the mid-1920s could want. When Hyde Park socialite Susan Leland meets up with Evan Forrester for the second time, she makes no excuses for their first meeting an auto accident in which she broke the young artists wrist. She finds the handsome Evan both infuriating and intriguing, yet not quite as intriguing as sultry torch singer Holly Winters, a performer at Susans favorite supper club. A chance to make amends. By posing nude for Evan to paint. When Susan balks, Evan, not wanting to deal with an innocent, sends her away but not before the arrival of his next model, Holly Winters. As Susans preparing to leave, the beautiful and talented singer convinces her to come back the next day so they can pose together. Will Susan find happiness in the arms of Evan Forrester or another?
