

His to Claim #3: Rock Hard

From New York Times bestselling author Opal Carew comes the third installment in a red hot erotic mini-series that will rock your world. Rafe Ranier was my boss and secret crush. A rock musician by night and head of a billion dollar empire by day, Rafe could have any woman he wanted. But I was just the shy secretary he never noticed. For years I obsessed over him, until I finally realized I had to walk away. I needed to break from the secure life I'd always known to discover who I really was. I never expected Rafe to follow me. Now I'm on the road with his band, Savage Kiss, and all my secret fantasies are coming true. But I fear I've made a huge mistake, because if I get any more attached to a man I can never truly have, my heart will be broken beyond all repair. Don't miss the other epic installments of HIS TO CLAIM: No Strings (Part 1), Savage Kiss (Part 2), Wild Ones (Part 4), Breaking Storm (Part 5), and Perfect Rhythm (Part 6).
