The second sizzling segment in the erotic serial His to Possess, an intoxicating tale of a woman torn between a dominant billionaire and a tattooed, bad boy rock musician. When Jessica and Dane shared a night of explosively hot, no-strings-attached sex, she never expected him to offer the one thing she needed most: a job at his business empire. As she embraces her role as his assistant, it becomes impossible to keep things strictly professional. Her body burns for him, and his commanding presence awakens her darkest hungers. She's never been dominated before, and now she can't stop yearning to submit to him completely. But carrying on a secret affair with the head of a powerful business empire puts her at risk of losing her job and her heart.
