

## Exhortations : A Call to Maturity in Worship

At the beginning of each Lords Day service at Christ Church, Moscow, Idaho, Pastor Douglas Wilson delivers an exhortation, or call to worship. Clear, pointed, and direct, those calls have been as much appreciated as the sermons that follow them ... and they are now available in print. Categorized by subject, the themes of these exhortations range from Armies of the Living God and The Brethren, to Reformation and Sin. With 153 separate calls, few subjects are missed, and even fewer words minced. Beautifully formatted, each chapter begins with a prayer of adoration and ends with a prayer of confession.
