

Fallen Hero (Holding Out for a Hero)

HOLDING OUT FOR A HERO A damsel in distress As a teenager, Elinor had worshiped Miles Carew from afar. But even though Miles was now back in her life and wanted a relationship, she couldn't believe that, at last, she'd won his love. She was half afraid that her former idol had grown up into a father who needed a ready-made mother for his child. But whatever Elinor's heart said to her about Miles's intentions, her head told a different story; she had to trust and rely on him. Because both of them were being stalked by a menacing stranger. Now Elinor really did need Miles to be a hero! By the author of *Evidence of Sin*. Catherine George combines scintillating characters and a nail-biting plot to keep readers thoroughly entranced. *Romantic Times* **HOLDING OUT FOR A HERO**
