

Holidays on Ice

David Sedaris's beloved holiday collection is new again with six more pieces, including a never before published story. Along with such favorites as the diaries of a Macy's elf and the annals of two very competitive families are Sedaris's tales of tardy trick-or-treaters (*Us and Them*); the difficulties of explaining the Easter Bunny to the French (*Jesus Shaves*); what to do when you've been locked out in a snowstorm (*Let It Snow*); the puzzling Christmas traditions of other nations (*Six to Eight Black Men*); what Halloween at the medical examiner's looks like (*The Monster Mash*); and a barnyard secret Santa scheme gone awry (*Cow and Turkey*). No matter what your favorite holiday, you won't want to miss celebrating it with the author who the *Economist* has called one of the funniest writers alive.
