

His Secret Son

He looked just like his dad. Eight years after the fact, Dirk Peterson thought the gift of life he'd given his brother had gone unused. Now his later brother's life brought him face-to-face with Dirk's own son and Joni, the mother of his child. With a killer on the loose, Joni turned to Dirk for protection. But the knowledge that they shared a child despite never having shared their bodies made their instant attraction all the more powerful and forbidden. Outside the safety of Dirk's arms, someone was trying to frame Joni for her ex's murder—someone who lurked too close for comfort.
