

# Holy Discontent: Fueling the Fire That Ignites Personal Vision

Bill Hybels invites you to consider the dramatic impact your life will have when you allow your holy discontent to fuel instead of frustrate you. Using examples from the Bible, his own life, and the experiences of others, Hybels shows how you can find and feed your personal area of holy discontent, fight for it when things get risky, and follow it when it takes a mid-course turn. As you live from the energy of your holy discontent, you'll fulfill your role in setting what is wrong in this world right.
