

Home in Seattle: The Playboy and the Widow//Fallen Angel

Love in the Emerald City
The Playboy and the Widow
Shes a widow, practical and down-to-earth, living in Seattle with her two kids. Hes a wealthy man whos always been attractive to women. Diana Collins is put off by Cliff Howards playboy reputation but finds herself falling for him. More surprising, perhaps, is the fact that her daughters are crazy about him. And most surprising of all, Cliff Howard is changing his views about the kind of woman he could love. Ready-made family and all!
Fallen Angel
Amy Johnson is firmly anchored in Seattle, working as an executive for her fathers oil company. Josh Powell is a self-described drifter, a man whos never called any place home. A man whos rejected the world of money and power
When they meet, Amy begins to question her own future. Does she really want to give up her long-standing and long-hidden desire to be part of a family, to love a man and raise a family with him? Josh, too, questions his life. Maybe its time to stop running from his past and to share his future with Amy.
