

Hope For The Troubled Heart: Finding God In The Midst Of Pain

Reach for the happiness that lies beyond hardship and heartache. A lost job, a shaky marriage? Loneliness, frustration, or feelings of failure? A family tragedy or a serious illness? Life is full of tough times that can leave us feeling lost and helpless. But Dr. Billy Graham, who has brought wisdom and inspiration to millions of people around the world, shows you how to triumph over pain, an uncertainty, and discover an inner strength you might otherwise have never known. You'll learn: How to turn the why of suffering into the how of faith. How to stop resentment and bitterness from stopping you. How failure can groom you for future success. How to store up strength for storms before they break. Prayers as a way of life—a first resort, not a last gasp! Life as a schoolroom for the afterlife. And much more...
