

## Hope Ignites: Hope Book 2

Small-town romance, second chances, and hope in Hope Ignites from Jaci Burton, New York Times bestselling author of the must-read (Fresh Fiction) sexy Play-By-Play series. Will be loved by fans of Bella Andre, Marie Force and Jill Shalvis. Logan McCormack likes his isolated life on the ranch, until a movie crew starts filming there. When actress Desiree Jenkins blows into his life, she wrecks it harder than the Oklahoma winds with her brutal honesty and soft touch. Des knows this is a temporary stay, but she loves the open freedom of the land, and for the first time in her life, Des feels like she might have found a place she can call home, with a man she might be falling in love with. But Logan's heart is tougher than the soil beneath them - can she convince him that they belong together? Check out the other titles to warm your heart in the Hope series, Hope Flames and Hope Smoulders, and feel the heat in Jaci Burton's sizzling Play-By-Play series, which began with The Perfect Play.
