

A Man For The Night (Mills & Boon Blaze)

How could popular Josie Williams arrive dateless at her class reunion? Hiring Callum McCloud for the night was the perfect solution. The lean, sexy hunk was hers for a few hours of dinner, dancing and pretend kisses. But when he ended the evening making heated love to Josie, she was ready to hire him again! Callum escorted her only as a favor - hes no gigolo, just a globe-trotting engineer. But after a taste of Josie he cant say no to a repeat performance. Especially when she shows him her sexual fantasies wish list - and hes hell-bent on making every sizzling wish come true! Except what will happen when they realize their mutual lust has turned into something more?
