

How to Be an Explorer of the World: Portable Life Museum (Edition First Edition) by Smith, Keri [Paperback(2008?©)]

From the author of *Wreck This Journal*, an interactive guide for exploring and documenting the art and science of everyday life. Artists and scientists analyze the world around them in surprisingly similar ways, by observing, collecting, documenting, analyzing, and comparing. In this captivating guided journal, readers are encouraged to explore their world as both artists and scientists. The mission Smith proposes? To document and observe the world around you. As if you've never seen it before. Take notes. Collect things you find on your travels. Document findings. Notice patterns. Copy. Trace. Focus on one thing at a time. Record what you are drawn to. With a series of interactive prompts and a beautifully hand-illustrated two-color package, readers will enjoy exploring and discovering the world through this gorgeous book.
