

Hurricane Bay (Mills & Boon M&B)

Dane Whitelaw knows something about Sheila Warren that no one else does. Dane knows Sheilas dead. The private investigator found a photo under his doora picture of Sheila, strangled with his tie and posed on the beach of his private island in the Florida keys. The crime appears to be the handiwork of a serial killer currently terrorizing the Miami area. Now Dane knows he is being set up to take the fall for the killings. He just doesnt know why. When Kelsey Cunninghams best friend goes missing, she confronts the one person she thinks will have information Dane, Sheilas former lover and a man from Kelseys own past. Kelsey follows Sheilas tracks into a dangerous world of sex, violence and drugs, with Dane right behind her. But the tentative trust between them shatters when Sheilas body is discovered and Kelsey recognizes Danes tie. Now Kelsey doesnt dare trust anyone. Especially a man she can no longer deny she has always loved. Because here on Hurricane Bay, a devastating storm can hit without warning. And whether its a tempest of unbridled passion or the desperate fury of a killer, nothing and no ones safe.
