

The Husband Project (Willing to Wed Book 2)

HE WONT TRADE IN THE TENT FOR A WHITE PICKET FENCESmall-town life has never held any charm for documentary filmmaker Sam Hove. But after a mishap in the Amazon during filming, Willing, Montana, seems like the perfect place for a quiet recovery. Until he finds out that the town is hosting a reality dating show. And with a neighbor like Lucia Swallow, the idea of love and commitment are more dangerous than anything hes encountered in the wild.A widow with three kids, Lucia represents everything Sam has always avoided: responsibility, family, stability. So why is he finding any excuse he can to be with her and the children? A life with Lucia couldnt possibly be the kind of adventure hes looking for, so hes got to get outbefore he gets hooked.
