

Ice Storm (Mills & Boon M&B) (The Ice Series, Book 4)

Behind her mask is a deadly secret. The powerful head of the covert mercenary organization The Committee, Isobel Lambert is a sleek, sophisticated professional who comes into contact with some of the most dangerous people in the world. But beneath Isobel's cool exterior a ghost exists, haunting her with memories of another life a life that ended long ago. But Isobel's past and present are about to collide when Serafin, mercenary, assassin and the most dangerous man in the world, makes a deal with The Committee. Seventeen years ago Isobel shot him and left him for dead. Now it looks as if he's tracked her down for revenge. But Isobel knows all too well that looks can be deceiving and that's what she's counting on to keep her cover in this international masquerade of murder.
