

## Icing (Aces Hockey)

Duncan Armstrong may be an NHL star, but hes a country boy at heart. His ultimate fantasy is going home with the Stanley Cup, not a gold-digging airhead who aspires to be a trophy wife and nothing more. Newly single and hoping to enjoy a night out with his teammates, he ends up hitting it off with a down-to-earth waitress whos a complete breath of fresh air-until Duncan learns that shes a part-time model. He tries to forget about her, but their sizzling chemistry has him coming back for more. Amber is working hard to put herself through school, and has zero interest in dating a professional athlete. Shes seen firsthand how fame and fortune can mess with their heads-her fathers brilliant football career ended in a firestorm of addiction and infidelity. So Duncans attentions immediately have her on the defensive. Still, theres something different about him. And once she stops trying to freeze him out, irresistible temptation turns into all-consuming passion. Contains mature themes.
