

## A Heart Ablaze: Igniting a Passion for God

God delivered Israel from Egyptian bondage to captivate them for Himself. In the arid wilderness He planned to reveal His nature and ways to them, but they drew back. How different are we today? Many confess the Lordship of Jesus and acknowledge His saving power, yet like Israel, they've drawn back. Rather than pursuing His heart they have cleaved to this world's form of worship—the worship of self. As a result we have changed the image of Jesus to be like us. Fire can alter these images. The fire we need is found in the Holiness of God. God is calling us to draw nearer still to tremble on Mt. Zion transformed to touch others.
