

## Accidental Love (Hot Bods Series Book 3)

Has Jane accidentally fallen for the decoy? Sometimes there is only one thing to do when you get dumped: make the ex jealous with someone new. Which is exactly what Jane plans to do with Ben, an older, handsome man who has agreed to act as her new love interest. When Ben meets Toby, Jane's unruly dog, he offers to help her train him. But as Ben helps Jane gain control of her dog, he realizes he's lost control of his feelings, and he's beginning to fall for the much younger woman. Suddenly, Jane can't seem to remember what she ever saw in her ex. All she can focus on is the way Ben makes her feel each time he kisses her. But now the ex has decided he wants her back, and he's willing to play dirty to make it happen. Content Warning: Explicit sex REVIEWS: entertaining and fun Donna at You Gotta Read Reviews a cute romance, with some VERY steamy lovemaking. Lisa at A Tasty Read
