

Captivated by You (Superstars in Love Series Book 1)

When Hollywood heartthrob Mark Delaney heads home to Colorado against his agents wishes, a snowstorm touches down (no doubt conjured up as punishment from said agent) that lands his Maserati in a ditch. Stranded, he knocks on the door of the first house he sees the same house that his former math tutor grew up in. Expecting to find an elderly couple donned in robes and hair curlers, he's knocked off his feet when an all-grown up Lacey Robertson answers.

Lacey opens the door to find the Prada-clad, most eligible bachelor two-years-in-a-row staring back at her. She tries to push twinges of her teen crush from her mind. Mark Delaney is all man. But she couldn't possibly compare to the gorgeous starlets he must be used to. And Lacey isn't about to become one of the faceless women begging for his attention. But when she finds out that he hasn't stopped thinking about her, despite his A-list life, will she fall into his arms for a single night of pleasure? Or will she dare to hope for more?
