

## Daddys Girl (The Daddy School Book 7)

As a court-appointed guardian for Alix Medina, Hayley Baines has only one job: to represent the best interests of the little girl at the center of a difficult custody battle between the child's widowed father, Kevin Medina, and Kevin's in-laws. That Kevin is a working-class guy who runs a lawn service and the Porters are outrageously wealthy, able to provide Alix with everything she could ever want, doesn't influence Hayley. That Kevin is strong and sexy and irresistibly attractive shouldn't influence her. But how objective can she be when talking to him, gazing at him, simply being with him turns her on in a crazy way?
