

In Too Deep

New York Times bestselling author Sherryl Woods blends danger and intrigue in this readerfavorite adventure romance. Fearless engineer Cara Scott had set out to discover why her wayward site manager, Rod Craig, hadn't reported in for weeks. The next thing she knew, she was lost in a steaming Mexican jungle, on the run from danger and locked in sensual battle with her arrogant rogue of an employee. Clearly, she was in over her head! A rugged individualist, Rod was used to one-man campaigns. Cara's interference sparked his ire and his reluctant ardor. Suddenly, taming and claiming this strong-willed woman seemed more important to him than independence. Suddenly, he was in love, in jeopardy, in a sweat all in all, in way too deep!
