

## Justins Bride (Mills & Boon M&B)

Fall back in love with 1800s Kansas in Susan Mallery's fan-favorite tale of love, loss, and redemption. Justin Kincaid is the local bad-boy-turned-sheriff, and now he's got to prove himself to his people and his town. When a saloon girl is murdered, it's up to him to lead the investigation and to find a home for the dead woman's young daughter. But what he hadn't counted on was Megan, the only woman he's ever loved, volunteering to take in the young girl. Megan Bartlett had all but given up on ever seeing Justin Kincaid again when he returned to assume the sheriff's position. And the man who returns the man with a bitter, mocking smile is not the man she remembers. But when she notices how tender he is with the orphaned girl, she can't help but see glimpses of the man she fell in love with, and she wonders if life has granted them a second chance after all.
