

Longing For Love (Beyond Love #3)

Love is harsh, Love is cruel, Love is blind, Love is everything Kane Evans family is not rich with wealth but in love and family. However, he has a way with women. His hot and sexy body is maintained by working out and doing the construction he loves. He spends the weekend nights out with his buddies and Sundays are always reserved for family time. Tattoos, black scruff and brown eyes make him look tougher than he is when inside he has the heart of gold and immense love for his family and friends. Brianna Daniels family owns the best consulting firm and they are on top of the market in their expertise. Expanding their business, they are constructing a new building off the gulf of Florida. Her job is to oversee the construction and ensure the deadline is met for completion but must also maintain her clients who will be housed in the building. At twenty-two, not only is Bria one of the richest women for her age but one of the most beautiful. She doesnt have time for men because she is all about succeeding and making her family proud. Something shes been trying to do all her life. What happens when you put a hot and sexy construction worker who loves women with a rich and pretentious, beautiful woman who wont give men the time of day? You get one hell of a cat and mouse chase. *Due to strong language and graphic sex, this book is intended for readers 18+
