Customer Reviews from the books in the series. This is the most wonderful book that I have read this year. Exciting and moves right along. J Mc Entire I couldnt put this book down and first thing the next morning bought the second installment in the Mail Order Husband Series. It is well written, no errors and keeps you moving from one page to the next. I have nothing to say except good things for this author, I have read several other of her books and I have never been disappointed! Wendy Mrs. Whitsby created three unique and lovable sisters you cant help but like. I recommend this series for anyone who enjoys western romance. Kindle Customer

Violet's Mail Order Husband This first episode of The Montana Brides introduces Violet, Iris and Rose Kilburn, Heiresses to the Kilburn family cattle fortune. Rocking Horse Ranch runs five thousand head of cattle but all the ranch hands are getting old. The sisters need someone to run the ranch, so the eldest sister Violet hatches the idea of getting mail order husbands for the three of them. Theres only one problem. Cornell Pollard, the sisters guardian and the executor of their estate, doesnt approve. Violet must challenge Pollard and her own role as his ally to find love and gain control over her own life. Will Violets plan to get married end in disaster, or can she and her sisters find love with a group of strange men? Are these men what they appear to be, or is something more sinister at work? *Iriss Mail Order Husband* This second episode of The Montana Brides Series follows middle sister, Iris Kilburn, on her journey of self-discovery to win the heart of her mail order cowboy. Could Iriss new love be a murderer? Iris finds a depth of feminine sensitivity within herself she

didn't know she had when she falls in love with Mick, despite his rough edges. Meanwhile, Mick finds out Iriss secret. Not only has she been running the Kilburn family ranching operation behind Cornells back, but she actually puts on a hat and boots and rides out to help the cowboys herd and tend the cattle. Can big, tough Mick handle a wife who can rope and brand and ride as well as he can? With just one more day left before the sisters triple wedding, the skeletons in the Kilburn family closet come out in force. The murder mystery deepens, and fingers point in all directions. No one knows who to trust or who to believe. Can Mick and Iriss budding romance survive the pressure? Will Iris marry her mail-order cowboy?

Roses Mail Order Husband The third book in the Montana Brides series reveals the shocking conclusion to the mystery of Cornell Pollards murder. Friday morning dawns clear and bright for the Kilburn family triple wedding. The eldest sister, Violet, is marrying Chuck Ahern. The middle sister, Iris, is marrying Mick McAllister. But all the evidence and every finger points to Roses fiance, Jake Hamilton, as the killer. Will Roses resolve hold up under the pressure? Will she find a way to prove his innocence at the last moment, or is she making a terrible mistake by marrying the man who killed her uncle? The future of their family and the lives of everyone involved hang in the balance, and only Rose holds the key to the mystery.
