

## Motive: Secret Baby (The Curse of Ravens Cliff)

Nicholas Sterling had secretly returned to Ravens Cliff with one goal in mind: reverse the curse and finally put the townspeople's anguish to rest. But his plan was tragically interrupted when Camille Wells showed up on his doorstep, suffering from amnesia, claiming he was a father and that their baby was missing. As he and Camille scoured the village looking for the infant, Nicholas made every effort to push aside the heated attraction neither time nor circumstances could extinguish. After all, finding his son and ending the curse was his priority. Giving in to passion would be his undoing.
