

My UnBroken Heart (Unforgettable Hinton Series Book 5)

Can an old lie turn into true love? Bad boy and sole owner of a successful chain of gentlemen clubs across the nation, Quentin Hinton has no time, patience or interest in love. Not after his brother, Sterling had stolen who he believed to be his soul mate years ago. That devastating experience with the fickle emotion has chewed him up and spit him out. None of the women in his infamous black book or the ladies who shimmy on his clubs poles have been able to pull him out of his funk. Hes taken his problem to doctors, churches, and once a palm reader. No one, it seems, can mend his broken heart. But that doesnt mean that his demons or ratherloveis through with him. Theres someone hes overlooked, but when he least expects it, love shows up in the middle of the roadalready wearing a wedding dress.
