

Oracle of Spirits #2 (BBW Paranormal Romance)

Enid Runas old life is officially over, and her new one is far stranger than she could have imagined. Ian Osman takes her on her first case as a paranormal detective, or at least one where she isn't the client. The spectral spook proves difficult, but Ian has an idea to hone her skills as a mystic. He takes her to an old friend who isn't what she appears. Sparks fly between Enid and her new acquaintance, and they aren't the kind that impresses anyone. It leads Enid to wonder if she's cut out for her new job, or even her new life. It takes a harrowing experience with the supernatural to point her in the right direction.** Warning: this episodic series contains paranormal romance, and snark. Lots of snark. **
