

Passionate Protection (Mills & Boon Modern)

Penny Jordan needs no introduction as arguably the most recognisable name writing for Mills & Boon. We have celebrated her wonderful writing with a special collection, many of which for the first time in eBook format and all available right now. Her love would never be returned. In Spain on business, Jessica had agreed to do her cousin a favour, but she never imagined it would result in her working with the aristocratic Sebastian Calvadores. From the moment they met he was callous and arrogant, and yet she couldn't deny the way her pulses raced whenever he entered the room. She was falling in love. Jessica wanted to listen to her heart, but common sense warned against it. For Sebastian had nothing but contempt for her and another woman intended to possess Sebastian!
