

Saving Grace (Madison Falls Book 1)

What happens when a New York City opera singer flees to a small town in Montana to escape a stalker? Tracy Fontaine is about to find out. When an obsessive fan forces Tracy to change her name to Grace Addison and go into hiding, the last thing she wants is to get to know the locals. Now, not one but two men have worked their way into her daily routine, much to the chagrin of jealous local girl Sophia, who insists on prying into Graces past and stirring up deadly trouble. Will Grace find love in Madison Falls or will her stalker find her? Madison Falls. Home of faith, love, peach pie and a dollop of danger.
