

## Second Chance Cowboy: Western Romance

Jackson Parkwood is a broken man. After the tragic loss of his son, his life spiraled out of control. His marriage crumbled and his wife moved out when he couldn't be there for her. Finally ready to live again, can he convince his wife, Linda, to take him back? After Linda's marriage fell apart, she was left to pick up the pieces alone. She wasn't sure she could recover after losing her only child, but Jack's brother, Sawyer, was there to help pick up the pieces. Linda is forced to confront his growing feelings when push comes to shove. Jack is the only one she's ever loved, but he abandoned her when his grief overtook him. Can Linda and Jackson find their way back to each other, or will Sawyer stand in the way? And when the question of having more children comes up, they find they both have very different answers. \*Note: previously titled Bear Creek: Wild Hearts Can't be Tamed
