

Speaking Greek (Foreign Exchange Series Book 1)

A Greek Billionaire and his student intern (an opposites attract romance). Tess Richardson is from a family that's all about the law. She follows the rules, and works hard for everything she has. When she gets accepted to junior year abroad and an internship at an International shipping company, she knows that doing things the right way has paid off. Then she meets Niko Stephanos, and breaking the rules has never looked so good. Niko has always been the golden boy. Handsome, smart, and the son of a Greek billionaire, with a father as rich and powerful as his, he's got the world by the balls. But all he wants is Tess, and convincing her to let loose becomes an addictive game. Then just when it looks like he might win the best prize of his life, he discovers secrets about his own world that are dark and dangerous, and the woman he's falling for becomes his family's greatest enemy.
