

The Control Freak

They're pushy. Forceful. Impatient. Always in a hurry. And they're usually ready to tell others how to do their jobs better. Control freaks. Maybe you know one. Maybe you are one. What are you to do? Psychologist Les Parrott (a recovering control freak) helps readers relate better to the control freaks around them. And if you are a control freak, Les will help you become willing to lose the control you love. The book includes self-tests and a lifelong prescription for healthier relationships.
