

The Story Jar: The Hair Ribbons/The Yellow Sock/Heart Rings (Palisades Romance Collection)

Just in time for Mothers Day gift-giving, The Story Jar honors and blesses mothers of all ages for their faithful, enduring love. When a newly-widowed woman shares three stories, Beth Williams draws comfort and encouragement from the lessons learned by other mothers before her. These inspiring novellas are enhanced by tributes to their mothers from Jerry Jenkins, Francine Rivers, and many others. This book will inspire women to rejoice in the gift of children and to rely on the strength of God even as they reverence generations of mothers who have come before them.
