

## The Wedding Adventure (Silhouette Romance)

For nearly two weeks they were trapped together on a tropical island, forced to endure Surv/vor-like challenges in order to win a grand prize. But for the normally business-minded Cade Armstrong Waters, the toughest part became resisting his pampered-princess-turned-worthy-teammate, Cynthia Sterling. Cynthia's grit and determination, not to mention her golden locks and shining eyes, made Cade ache to hold her as they shared close quarters in a makeshift tent. But although his hardened heart had slowly begun to heal in her presence, Cade had no desire to surrender his bachelor status. Which only proved that walking away could be his biggest challenge of all!
