

In A Cowboys Arms (The Lost Sons Trilogy)

Love On The Run...Colorado sheriff Dade Logan has waited twenty years to reunite with his long lost sister, Daisy. But when she finally turns up, they barely recognize each other. That's because the beautiful stranger isn't Daisy, but her childhood friend Maggie, on the run from an impending marriage. Moved by this last link to Daisy, Dade determines to bend any law that stands between him, his sister--and the intriguing Maggie...Maggie Sutton will risk anything to escape her fate, though accompanying the broad-shouldered sheriff in his pursuit of Daisy rattles her to the core. But as their search--and desire for one another--escalates, the two provoke a vicious bounty hunter, one who threatens their hopes for a future together...Praise for the novels of Janette Kenny These are the western romances readers have enjoyed for decades.--Romantic Times on A Cowboy Christmas Readers will enjoy every moment.
