

In Love with the Whirlwind: When God Takes Your Heart by Storm

The new book *In Love with the Whirlwind - When God Takes Your Heart by Storm* - a true report of the authors pursuit of relationship with the Godhead: Jesus, the Holy Spirit, and God the Father. Susan Davis shares how God entered her life and how it was not ever the same again for her and her son. Davis book is written to a generation that has strayed from God to other lovers-entertainment, career, and family and lost its way to its one true love. Davis wants people to think about what this life really means and what are we really supposed to be doing. She talks about lifes toughest and deepest questions but does it in a light-hearted way. I want people to see that God is real, wonderful, and waiting on us all to be in relationship with Him, shares author Susan Davis. Because God is supernatural-when you get closer to Him you cant help but experience the supernatural and that is what happened to us. Davis playfully explores and examines issues that deals directly with the heart of Jesus, Holy Spirit, and the Father demonstrating that there is only one true life: through Christ. Everything else is a fraud. *In Love with the Whirlwind* is fun, playful, honest, real, and deep all at the same time. <http://sites.advancedministry.com/lovethewhirlwind>
