

## In Search of Eden (The Second Chances Collection Book #2)

A FRACTURED HEART...A HOPE RENEWED...Today is your birthday...I want you to know that you are in my heart, as you always have been. I pray for you every day. I pray I did the right thing...Thus wrote Miranda DeSpain on the anniversary of the day that changed her life forever, the day her heart was torn in peaces. Ever since that wrenching event, shes been unable to settle down, embrace life. She finds herself starting one adventure after another, trying to forget. But she never can. As she approaches her twenty-seventh birthday, she determines once again to reinvent her circumstances, to start anew. But theres one loose end to tie up first...Joseph Williams, police lieutenant in Abingdon, Virginia, has always tried to do what is right, to perform his duty and protect those he loves. He is suspicious of the new woman in town and, checking further, discovers she is a person with seemingly no history. Then he finds a baby picture of his niece in her possession...THE STORY OF LAW AND GRACE, OF FORGIVENESS AND REDEMPTION, OF FINDING JOY AND REST IN A BROKEN WORLD
