

## In Search of Saints

Mitch is on a last-ditch drive to save his career with the Scottish Institute of Archaeology after his ex-lover Lewis stole his research into the legendary Pictish saints. Mystical pre-Celtic statues are hidden somewhere on mist-wreathed Dove Island. Now Mitch is tearing out to the coast in the hope of reaching the saints before his treacherous ex can stake a claim. At his side is his devoted assistant, Owen. Owen adores Mitch, but hes the quiet, loyal type. Despite himself, Mitch is still dazzled by memories of flamboyant Lewis -- and in danger of destroying his newfound happiness with Owen. As the race for the saints intensifies, Mitch is losing perspective. Will he learn how to appreciate the love of a good man before he plunges himself and Owen too far into the deadly mysteries of Dove Island?
