

Arms of Love: Thats What It Is All About

In 2010 the Lord God of Israel, my Savior Jesus Christ (Yeshua HaMashiach), led me to start the ministry we call Love For His People. Its primary purpose is to share the love of the Lord with the nation of Israel, Jews around the world, and the people in all the nations as we can. For that end, through social media, writing and distributing books, and in person ministry, we are seeing the love of Jesus spread. We are grateful that He has given us much love in order to do just that. We often hear the word love spoken out loud, and written about, in many ways. It has contrasting meanings to the wide range of people that exist, as it is expressed in different methods through people. When it has all been said and done, there is an eternal love that will stand the test of fire. Because the biblical expression of love, laying down ones life for his friends, has eternal value, this love from God the Father to His creation is the type that I most seek after and try to share. In these short chapters of Arms of Love, which is also the title of a song Laurie and I sang while leading various church worship meetings, and as the lead singers in our Ahava Love Band, I share some aspects of how I believe the Bible speaks of love. For you who are about to read this, my prayer is that your heart will be enlarged with His, and you too will become one, even more, to give love for His people, both Jew and Gentile, both saved and unsaved. I hope that as you read these chapters, you will become more inspired to spend time with the Lord, experience His heart of love, and share it with our fellow man. The world needs to know the love of God. Steve Martin Charlotte, NC Dec. 2015
