

Hang Your Heart on Christmas: A Western Romance Novella

Eventually, all secrets come to light ... As punishment for a botched arrest, U.S. Marshal Dent Hernandez is temporarily remanded to the quiet little town of Evergreen, Wyoming. Not only does his hometown hold some bad memories, but he is champing at the bit to go after vicious killers, not waste his time scolding candy thieves. And he most certainly should not be escorting the very pretty, but jittery, schoolteacher around. What is she so afraid of? Turns out, a lot of folks are keeping secrets in Evergreen. When the bank is robbed and Dent has to do what he does best, choices will be made, lies will be exposed, and hearts will break. Can Christmas bring love and healing to Evergreen? To Dent? **BONUS MATERIAL--** Includes a special vintage Christmas recipe, and the true story behind the fictional Dent Hernandez! A clean western romance with action and adventure. A great read any time of the year!
