

Enigma (Mills & Boon Intrigue)

Test Subject: Jared Maddox Ability: Mental telepathy Weakness: Willa Tyler, the only person he was able to communicate with while in a coma. From the moment he came out of a coma, Jared Maddox knew his whereabouts had been compromised and that only one person could help him escape: trauma nurse Willa Tyler. Although he was reluctant to put Willa's life in danger, she refused to abandon him, insisting she help him reconnect with his mysterious past... and his identical twin. Using the abilities some saw as a gift, Jared sensed the moment they closed in on the truth. And the moment he started considering a future with the strong and beautiful woman who had faithfully stood by his side. But was her healing touch enough to weather what they uncovered deep in the mountains?
